

Q Tired of hearing the same old war stories from the same old trainers?

Looking for a speaker with global automotive credibility and unique delivery?

A Then it's time to experience the World's #1 rated automotive trainer, Mark Walsh.

Mark was the first international speaker ever afforded the honor of being invited to present a workshop at the prestigious National Automobile Dealers Association (NADA) Annual Convention. His expertise has been sought by the NADA to present at multiple Annual Conventions. Mark has also been a featured keynote speaker at the US Digital Dealer Conference.

Mark's techniques have trained over one and a half million Dealers, Managers and Salespeople worldwide. His systematic "141" approach has helped to develop decisive advantages leading to resounding success stories. His unique dynamic style is eloquent, inspirational and loaded with practical common sense skills for your better future!
